

Dear Covenant School Families and Friends,

Thank you for your overwhelming support of our school through your annual fund gifts! Your generosity was vital to the success of our 2010-11 school year, and through your gifts we have provided new curriculum, enhanced technology, and more programs for our students.

As we close our tenth anniversary year, we look ahead to the next ten years as we set strategic goals that support our Christian mission. We have the opportunity to build a legacy of Christian education for our children, grandchildren, and the generations to come. This is a crucial time for growth and advancement, and we are grateful for your continued support.

Our Covenant School community understands the significance of Christian teaching early in the lives of our children: “I have no greater joy than to hear that my children are walking in the truth” (3 John 1:4). The Covenant School is “a beacon on a hill” that shines God’s truth through the lives of our children. I appreciate your commitment to keep that light shining bright as we continually strive to fulfill our school’s mission for all our Covenant children.

Dr. Catherine Graham
