

Dear Covenant Families & Friends,

We've had an awesome response to this year's annual fund! God has richly blessed The Covenant School with donations of \$ 103,850 - exceeding our goal of \$ 80,000.

These funds provide vital support for the school to fulfill its mission, beyond what is possible from tuition alone, in helping provide the teachers with the additional tools they need to enhance each child's education and God-given abilities.

Thank you to all the faculty & staff, parents, grandparents, alumni parents, church members and friends who contributed to The Covenant School. Thank you to the wonderful leadership team comprised of twenty five people & led by Dr. Campbell-- who love the school & were dedicated to this cause. Thank you to Dot Butler, our Honorary Chair, for her faithful service to The Covenant School for many years.

Thank you for "Telling the Next Generation" (Psalm 78:4) of what God is doing at The Covenant School.

Blessings,

John & Patricia Gilbert
