WEEK ENDING SEPTEMBER 18, 2009

## THANK YOU...

Our students, faculty and guests enjoyed a special presentation from a missionary team from Tonga during Chapel on Monday. We are grateful to Ali, Lynne and Funani Aho for sharing their time with us. The students were amazed with Ali's demonstration of strength as he bent a steel bar across his nose and taught Mr. Bryant how to rip a phone book in half!

## Top Ten Reasons to Give to the Annual Fund

- ◆ Reason #10: We already have 100% participation from the Faculty and Staff!
- ◆ Reason #9: Tuition covers only 76% of the cost of attending Covenant for a year. Without the Annual Fund, tuition would be higher.

Make your gift or pledge online at [www.thecovenantschool.com/giving](http://www.thecovenantschool.com/giving)

## FLU INFORMATION FOR PARENTS

Please check the school website for a new posting which shares some helpful information about the H1N1 virus.

**October 11** is "Covenant School Sunday" at Covenant Presbyterian Church. Watch for details!

## PE DEPARTMENT NEEDS YOUR EMPTY TWO-LITER BOTTLES

Mrs. Berthiaume is collecting empty two-liter plastic bottles for a PE project. If you can help, please leave them at the Reception Desk next week. Thanks!
